

REPSOL – MONTESA HRC

Spanish Trial Championship
5th round.

Toni Bou finishes second and wins his fifth consecutive podium position.

Baiona (Pontevedra, Spain), 07.10.2007. - Toni Bou (Montesa-HRC Cota 4RT) finished second in the fifth event of the Spanish Trial Championship, held this Sunday Baiona, Galicia. The Montesa rider, who obtained his fifth consecutive podium, is now second in the general classification, with two events to go. The current world champion finished without penalisations on the first lap round an easy track, therefore the victory was decided in the second lap, which Bou got through with two points on his card. Laia Sanz (Montesa-HRC Cota 4RT), the other representative of the Repsol-Montesa HRC team in this event finished eighth in the Senior B category.

Toni Bou: *"I don't agree with such simple events, and this has been the second in a row. They are not worthy of a championship of the level this one had and should continue having, I mean the Spanish championship. We know the intention is to attract a larger number of participants, but as we can see, they don't come anyway. So the situation should be reconsidered and we should recover the degree of selectivity that has been lost"*.

The sixth and penultimate scoring event for the Spanish championship will be held on October 21st in La Nucia (Alicante).
