

REPSOL – MONTESA HRC

Spanish Trial Championship
6th round.

Second place and sixth consecutive podium for Toni Bou.

La Nucia (Alicante, Spain), 21.10.2007. - Toni Bou (Montesa-HRC Cota 4RT) finished second in the sixth and penultimate scoring event in the Spanish Trial Championship, held this Sunday on very difficult terrain because of rainfall the night before. This result has meant the Montesa rider's sixth consecutive podium in the present edition of the championship. The current world champion lost five points to the future winner of the first lap of the track and in the second lap he took advantage of his lead over the other riders to maintain the second position. Laia Sanz (Montesa-HRC Cota 4RT) finished seventh in the Senior B category.

Toni Bou: *"I made a lot of mistakes. Evidently, this isn't the way to win and even less with a rival as tough as Adam. With this result, my options to win the championship are much more complicated, because I've got to be realistic and accept that it'll be very difficult to recover seven points from the leader with only one event left in the championship. Even so, I'll try my best to do it"*.

The Spanish Trial Championship will end with the seventh scoring event, on November 11th in Sant Fruitós de Bages (Barcelona).
